## DETAILED BACKGROUND

---

Well it all started some 17 years ago. I have trained in Bombay, then moved to Canada for further training, where I achieved a ranking of top 3 in British Columbia. After studying and training for a year. I moved to Florida to as it is better suited for pursuing a professional Tennis career. In Florida, I have trained at Rick Macci's, Sagusso & Bassett's, Bobby Blair, and Bob Palmer. I had a tournament win record of over 45+ tournaments in the state of Florida. Achieved a ranking of #12 in the Under 18's without playing a single designated tournament, because I was not a US resident. I also played # 1 on Suwannee High Tennis team, and we won the state Doubles and runner up in Singles, it was a first for Suwannee High.

I also played on the ITF Junior Circuit, With 2 European circuits and one Asian Tour, and numerous US ITF tournaments (including the Sunshine cup, and Orange Bowl) I achieved a ranking in the top 150 In the Junior ITF.

In India I played 2 nationals in Madras, where I reached the Semis, Both Years, beating the # 2 and #3 ranked in India, and was ranked as high as #5 in India Under 18's nationally.

After my Junior career, I Joined Florida Atlantic University where I received a full Scholarship and played # 2 on the Team, the University was unranked nationally, we achieved a ranking of top 80 nationally by the end of the year.

My coaching background includes working in one of New York City largest Indoor Facility, Sutton East Tennis. Training juniors to advance adults. And 2002 summer training Private clients in South Hampton. Including clients like Denies Rich, Fuhrman's, David and Dan Wassong's.

I would like to accomplish a well-rounded tennis program in Panchgani, which includes the school to take an active part in an inter school tournament. And expose the students of your school to a new and exciting activity, which will benefit them in the future.
